ELECTION OF SPECIES

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

In response to the Official Action dated February 15, 2006, Applicants elect with
traverse Claims 1-18 of the present application, which read on the elected Species 1.

Applicants respectfully traverse the election of species requirement for the following
reason.

MPEP § 803 states:

... If the search and examination of an entire application
can be made without serious burden, the Examiner must
examine it on the merits, even though it includes claims to
distinct or independent inventions.

The claims of the present invention appear to be part of an overlapping search area.
Accordingly, Applicants respectfully traverse the outstanding election of species requirement

on the grounds that a search and examination of the entire application would not place a serious burden on the Examiner.

Accordingly, an action on the merits is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
